

ANTHONY CURRIE

TECHNICAL SUPPORT SPECIALIST

anthonycyber96@gmail.com

Chicago, IL

(773) 440-1375

I am a cybersecurity professional transitioning from a successful career in audio engineering and music production. My proven ability to analyze and manage operating systems, troubleshoot technical problems, and adapt to new technologies have been cultivated through hands-on experience with Python automation training, Linux security exercises, and Microsoft Entra ID experience. Through this new paradigm shift, I have discovered a passion for technical support and I am committed to being an asset to my team.

EXPERIENCE & QUALIFICATIONS

- Experience with Python for cybersecurity automation of tasks
- Analyze and manage files, also verified and configured access in Linux
- Homelab experience using Microsoft Active Directory / EntraID (creating Resource Groups, Data Collection Rules, Network Security Groups, Flow Logs, Storage Accounts, & Enabling Microsoft Defender.)
- 1 year of analyzing network traffic logs in WireShark homelabs
- 10+ years of Windows 7-10 & MacOS Software Troubleshooting Experience
- Utilized C2 Server to generate implants in Ubuntu for attack exercises
- SIEM Endpoint Detection & Response for event monitoring
- 10+ years of experience with antivirus programs (Norton, McAfee, Windows Defender)

EDUCATION

CS50 Intro to CS / Intro to Python , Computer Science Coding	2023-2024
Google Cybersecurity Professional , Cybersecurity Training	2024
IBM Cybersecurity Analyst Professional , Computing Technology Training	2024
CompTIA Security+ , Cybersecurity Training	Studying
Columbia College/SAE Institute Chicago , Audio Engineering & Production	2015-2018

SOFT SKILLS

Psychologically trained to pave a clear path through challenges.

Successful self starter who has achieved tremendous private and public victories.

Gratitude and curiosity have always allowed me to be a fast learner and a valuable leader.

AWARDS & CERTIFICATES

- Google Cybersecurity Certification
- IBM Cybersecurity Analyst Professional Certification

PROFESSIONAL WORK EXPERIENCE

The Spaceship / Freelance

Chicago, IL
